

Make a Donation to Sing For Your Seniors, Inc.!

Sing for Your Seniors, Inc. started in 2005 with one performer and no operating budget. Since that time, we have built a steady core of regular performers, accompanists, and other talented and motivated individuals who play an integral part in furthering our mission of bringing music and joy to seniors in our communities.

We are dedicated to making *Sing for Your Seniors, Inc.* a self-sustaining, community-based service organization. To accomplish our goal, we need the support of artists, students, and volunteers like you. Your donation will help us continue to expand the organization's activities to a greater number of seniors and will enable us to spread the word about our mission throughout our communities. Thank you for supporting *Sing for Your Seniors, Inc.!* Your **TAX DEDUCTIBLE** donation will help us continue to expand the organization's activities to a greater number of seniors and will enable us to spread the word about our mission throughout our communities.
